Hum apni mohabbat ka imthan dege  
Hum apni mohabbat ka imthan dege  
Tere ghar ke samne hum apni jaan dege  
Hum apni mohabbat ka imthan dege  
Tere ghar ke samne hum apni jaan dege  
Tere ghar ke samne hum apni jaan dege  
Dilruba tu hai bewafa, dilruba tu hai bewafa  
Hum apni mohabbat ka imthan dege  
Tere ghar ke samne hum apni jaan dege  
Tere ghar ke samne hum apni jaan dege  
Dilruba tu hai bewafa, dilruba tu hai bewafa  
Bhul kya huyi, kya huyi khata  
Humko janeman itna to bata  
Bhul kya huyi, kya huyi khata  
Humko janeman itna to bata  
Bite huye wo din hum bhul na paye  
Bechainiya apni hum kisko sunaye  
Ye darde judayi, ye darde judayi  
Ab hum na sahege  
Tere ghar ke samne hum apni jaan dege  
Tere ghar ke samne hum apni jaan dege  
Dilruba tu hai bewafa, dilruba tu hai bewafa  
Tut na jaye pyar ki kasma  
Aaja tod ke duniya ki rasme  
Tut na jaye pyar ki kasma  
Aaja tod ke duniya ki rasme  
Hum kisko bataye apni ye bebasi  
Bin tere hai sanam kuch bhi na zindagi  
Tere bagair kaise  
Tere bagair kaise zinda rahege  
Tere ghar ke samne hum apni jaan dege  
Tere ghar ke samne hum apni jaan dege  
Dilruba tu hai bewafa, dilruba tu hai bewafa  
Hum apni mohabbat ka imthan dege  
Tere ghar ke samne hum apni jaan dege  
Tere ghar ke samne hum apni jaan dege  
Dilruba tu hai bewafa, dilruba tu hai bewafa  
Dilruba tu hai bewafa, dilruba tu hai bewafa.
