Hum hai tumhare tum humare
Hum jab jab lenge janam sansar mein
Jiyenge tere hi hoke marenge
Tere hi pyar mein
Hum hai tumhare tum humare
Hum jab jab lenge janam sansar mein
Jiyenge tere hi hoke marenge
Tere hi pyar mein
Aakash pe chalta chand dhara pe
Chalti meri prem kahani re saiya
O more saiya
Is yug se kya yug yug se hamari
Prit purani o sajni prit purani
Ho mori sajni
Milan ki madhur ghadi phir se aayi hai
Aao ye vaada kar le hum
Jiyenge tere hi hoke marenge
Tere hi pyar mein
Hum hai tumhare tum humare
Hum jab jab lenge janam sansar mein
Jiyenge tere hi hoke marenge
Tere hi pyar mein
Chahe lakh uthe toofan magar
Mera saath na chhute
O saiya saath na chhute ho more saiya
Ye jag ruthe to ruthe magar
Mera pyar na ruthe dekho ye
Pyar na ruthe o mori sajni
Sajan kis dukh sukh ki duniya mein rahkar
Jiyenge jab tak tum aur hum
Jiyenge tere hi hoke marenge
Tere hi pyar mein
Hum hai tumhare tum humare
Hum jab jab lenge janam sansar mein
Jiyenge tere hi hoke marenge
Tere hi pyar mein.
