Hum ko to rahna hai  
Ek duje ke saath  
Har mushkil me batenge  
Hum ik duje ka haath  
Hum ko to rahna hai  
Ek duje ke saath  
Har mushkil me batenge  
Hum ek duje ka haath  
Bhulenga na ye jahan  
Kuchh aisa kar jayenge  
Apne watan ke liye  
Hum has ke mar jayenge  
Jaat dharm sab alag hai  
Lekin mulk ek hai dhang ek hai  
Jism hamare juda juda hai  
Lekin khun ka rang ek hai  
Geeta ko chhuke kahate hai  
Kasam hame hai kuran ki  
Aan nahi mitane denge ham  
Apne hindustan ki  
Desh ke dushman gadaro ko  
Desh ke dushman gadaro ko  
Mil ke denge maat  
Hum ko to rahna hai  
Ek duje ke saath  
Har mushkil me batenge  
Hum ek duje ka haath  
Hum ko to rahna hai  
Ek duje ke saath  
Har mushkil me batenge  
Bhulenga na ye jahan  
Kuchh aisa kar jayenge  
Apne watan ke liye  
Hum has ke mar jayenge  
Hamne dharam karam se  
Apne aap ko fauji mana hai  
Hamne desh ko apne jivan se  
Badhkar jana hai  
Sarhad ke kam aa na sake  
Hum watan ke kam aayenge  
Sar pe laga kalank hai jo  
Use apne lahu se mitayenge  
Hum to sine me rakhte hai  
Hum to sine me rakhte hai  
Lohe ke jibat  
Humko to rahna hai  
Ek duje ke saath  
Har mushkil me batenge  
Hum ek duje ka haath  
Humko to rahna hai  
Ek duje ke saath  
Har mushkil me batenge  
Hum ek duje ka haath  
Bhulega na ye jaha  
Kuchh aisa kar jayenge  
Apne watan ke liye  
Hum has ke mar jayenge.
