Hamein aapse shikaayat na hui na hai na hogi
Kisi aur se mohabbat na hui na hai na hogi
Hamein aapse shikaayat na hui na hai na hogi
Kisi aur se mohabbat na hui na hai na hogi
Yeh din yeh mahine gujarte rahenge
Yeh lamhe yeh pal bhi bikharte rahenge
Magar pyar dilse kabhi kam na hoga
Kabhi bhi judaai ka mausam na hoga
Kisi aur se yeh chaahat
Na hui na hai na hogi
Kisi aur se mohabbat na hui na hai na hogi
Khayaalon ki duniya basa ke rakhungi
Tumhen dhadkanon mein chhupake rakhungi
Deewana banati hai hasrat tumhari
Meri zindagi hai yeh surat tumhari
Kisi aur ki jaroorat
Na hui na hai na hogi
Hamein aapse shikaayat naa hui na hai na hogi
Kisi aur se mohabbat naa hui na hai na hogi
