Tum hi tum the
To kaya tum the
Hum hi hum the
To kya hum the
Judaa tum the, judaa hum the
Kismat mein hum hi hum the
Resham ke dhaage se kache hai
Ye jindaganiâ€
Hamari tumhari kahaniâ€
Humari tumhari kahani â€
Ye thi humari khata
Ya thi mukadar ki raza
Jo kuch humare darmiyaan
Na thi uski koi mukmal wajah
Ye thi humari khata
Ya thi mukadar ki raza
Jo kuch humare darmiyaan
Na thi uski koi mukmal wajah
Main jaanu tum jaano na
Ye kab hua aur kyun hua
Resham ke dhaage se kache hai
Ye jindaganiâ€
Hamari tumhari kahaniâ€
Humari tumhari kahani â€
Dil ke mere tukde hai
Ashkon mein aaj bikhre hai
Boondon ki ladiyan mein milkar
Girte aur sambhalte hain
Inhen teri jaroorat sataati hai kyun
Khayalon mein tu aati hai kyun
Jitna bhi main bhulana chaahun tujhe
Utni hi tu yaad aati hai kyun?
Resham ke dhaage se kache hai
Ye jindaganiâ€
Hamari tumhari kahaniâ€
Humari tumhari kahani â€
