Maahi maahi motiyaan waala
Mera sona dachiyaan waala
Maahi maahi motiyaan waala
Maahi maahi motiyaan waala
Humein jabse mohabbat ho gayi hai
Ye duniya khoobsoorat ho gayi hai
Humein jabse mohabbat ho gayi hai
Ye duniya khoobsoorat ho gayi hai
Humein jabse mohabbat ho gayi hai
Fizaaon mein nayi ek roshni hai
Havaaon mein ajab si taazgi hai
Tum is vadee mein mujhse mil rahi ho
Zameen lagta hai jaise ga rahi hai
Nayi rut ki mahoorat ho gayi hai
Ye duniya khoobsoorat ho gayi hai
Humein jabse mohabbat ho gayi hai
Hai lipti dhund mein dilkash nazaare
Nadi khaamosh hai chup hain kinaare
Hai ek chhoti si kashti aur hum hain
Chale jaate hain lehren ke sahaare
Suhaani ab lo sangat ho gayi hai
Ye duniya khoobsoorat ho gayi hai
Humein jabse mohabbat ho gayi hai
Ye duniya khoobsoorat ho gayi hai
Humein jabse mohabbat ho gayi hai
Maahi maahi motiyaan waala
Mera sona dachiyaan waala
Maahi maahi motiyaan waala
Maahi maahi motiyaan waala.
