Ek ho gaye hum aur tum  
Tu ud gayi nide re  
Aur khanaki paayal masti mein to  
Kagan khanake re  
Hammaa, hammaa  
Hammaa, hammaa, hammaa  
Hammaa, hammaa  
Hammaa, hammaa, hammaa  
Hai pahali baar mile  
Tum pe dam ye nikale  
Tum pe ye javaani dhire dhire  
Maddham machale re  
Hammaa, hammaa  
Hammaa, hammaa, hammaa  
Ae hammaa, hammaa  
Hammaa, hammaa, hammaa  
Khili chaandani jaisaa ye badan  
Janaab milaa tumako  
Man mein sochatha jaisaa rup teraa  
Aayaa nazar hamako  
Sitam khuli khuli ye, sanam gori gori ye  
Baahe karati hai yun  
Hame tumane jab gale lagaayaa tub  
Kho hi gaye ham to  
Hammaa, hammaa  
Hammaa, hammaa, hammaa  
Ae hammaa, hammaa  
Hammaa, hammaa, hammaa  
Ek ho gaye hum aur tum  
Tu ud gayi nide re  
Aur khanaki paayal masti me to  
Kagan khanake re  
Hammaa,  
Hammaa, hammaa, hammaa  
Ae hammaa  
Hammaa, hammaa, hammaa  
Hai pahali baar mile  
Tum pe dam ye nikale  
Tum pe ye javaani dhire dhire  
Maddham machale re  
Hammaa,  
Ae hey hammaa  
Khuli zulf mein, teri aankho mein  
Madahosh ho gaye  
Gore gaal pe, bhige hoth pe  
Yaaraa fidaa ho gaye  
Sanam pyaar mein, bhigi raat mein  
Pyaas jagaate rahe  
Khatam na ho sanam,  
Pyaar kaa mausam  
Chaahat badhati rahe  
Hammaa, hammaa  
Hammaa, hammaa, hammaa  
Ae hammaa, hammaa  
Hammaa, hammaa, hammaa  
Ek ho gaye hum aur tum  
Tu ud gayi nide re  
Aur khanaki paayal masti me to  
Kagan khanake re  
Hammaa, hammaa  
Hammaa, hammaa, hammaa  
Ae hey hammaa, hammaa  
Ae hey hammaa, hammaa  
Hammaa, hammaa, hammaa  
Ae hey hammaa, hammaa  
Hammaa!!
