Haath mein raat yeh baaki hai
Baat napaak wafa ki hai
Sandli si purwayi saath hai
O tu hai naakaam mohabbat mein
Main jalun pyaar ki siddat mein
Dhundli si ruswayi saath hai
Kaam tu aaja mere
Soch na yaar savere
Chhod dunggi main ghar pe
Karta hai kyun gham
Husn parcham, husn parcham
Lehaya yaar dama-dam-dam
Husn parcham, husn parcham
Lehaya yaar dama-dam-dam
Husn parcham, husn parcham
Lehaya yaar dikha dam-kham
Husn parchamâ€!
Bang like a drum work my body
Aaj raat iâ€™m incharge
So dance to my beat
Dhin-tak-dhin do it slowly
One night only
Cause iâ€™m feelinaâ€™ hot
Tequilla no chase aaâ€™
Oh on your lips you like my tevar
Aaj raat ko lagega
Give me the uh-huh imma call you later
Hey! dil phenk iraadon mein
Ab der swadon mein
Kabhi meethi zubaan bhi khari hoti hai re
Tu meri zaroorat hai
Yeh meri mohabbat hai
Jo tere liye hi zaari hoti hai re
Loot ke yaar khazana
Laut ke ghar aaja na
Aashiqon mein hoon aashiq ko sitara tum
Husn parcham, husn parcham
Lehaya yaar dama-dam-dam
Husn parcham, husn parcham
Lehaya yaar dama-dam-dam
Husn parcham, husn parcham
Lehaya yaar dikha dam-kham
Husn parchamâ€!
