Itne magroor dilwar hai dekho
Rago main inki hai dagabazi
Jaan le kar ke aashique ki apne
Phir bhi hote nahi hai ye razi
Husn wale farebi husn wale
Husn wale farebi husn wale
Husn wale farebi husn wale
Ho inki zulfe farebi, iske gazren farebi
Iski jhumki farebi, iski bindiya farebi
Zalim aakho se bachna har ishara farebi
Husn wale farebi husn wale
Husn wale farebi husn wale
Karke meethi meethi baton se dil ko loot te hain
Gira ke bijliyan phir haal e dil pooch te hai
Vada hum dil gairo se ye jod lete hai
Beech majhdaar dil ki kasfi chhod dete hain
Bach tum rehna sab se ye kehna
Yakeen ka karna iska soch lo varna
Iski sohbat buri iski fitrat farebi
Husn wale farebi husn wale
Husn wale farebi husn wale
Iski aamag kayamat se kuch kam nahi wah wah
Vaar nazro ka inki sidha dil pe hota hai
Naam le le aashique na jaagta hai na sota hai
Inse umeed mat rakhna tum wafadari ki
Iski aadut hai shuru se baitbaari ki
Jisse dil joda uska dil thoda
Inke dil aana jaise jal ke khaakh ho jana
Iski naso aada ka dikhava farebi
Husn wale farebi husn wale
Husn wale farebi husn wale.
