Back to the ?? dream
I wanna make you see
Baby dont break my heart
Don't
t be so sad
Back to the world of joy
This is my ?? loud
The only way to be
This is ???
Back to the ?? dream
Ho aaj kal tanaha main kahaan hoon, saath chalata koyi
Usaki hamein aadat hone ki aadat ho gayi
Woh jo mila hai jab se usaki sauhbat ho gayi
Ik jara masoom se ke dil ki aafat ho gayi
Sun le jara, sun le jara
Dil ne kahaan itana bas mujhe pata hai
I am in love, i am in love
Tu hi bata jaane kya mujhe huwa hai
Os bundon mein tu hai, aankhein mundu mein tu hai
Dishaayo das tu hai, tu hi hai bas tu hai
Dil ka shehar tu hai, achchi khabar tu hai
Fursat ki haseen tu hai, jo bhi thi kamin tu hai
Tu hai mera, tu hai mera
Kuchh main jaanu na, itana bas mujhe pata hai
I am in love, i am in love
Tu hi bata jaane kya mujhe huwa hai
Baadal pe chalata hoon main, girata sambhalata hoon main
Khwaaishein karata hoon main, khone se darata hoon main
Jaaga na soya hoon main, musaafir khoya hoon main
Kuchh sarfira sa hoon main, budhdhu jara sa hoon main
Dil kya kare, dil kya kare
Tere bina, itana bas mujhe pata hai
I am in love, i am in love
Tu hi bata jaane kya mujhe huwa hai
