I am so lonely
Meri tamanaa, meri chaahat
You and you, you only
I am so lonely
Meri tamanaa, meri chaahat
You and you, you only
I am so lonely
Tera aks dekhata hoon main apni tanhaayi mein
Maine tujhko hai paaya harpal dil ki gehraayi mein
Tanaha aur akela jivan abb toh jeena mushkil hai
Meri tamanaa, meri chaahat
You and you, you only
I am so lonely
Baby i want you, dream you, need you, miss you, all day all night
Teri baatein karata hoon ghar ki deewaro se
Teri khabar main puchhta hoon subah ke akhbaar se
Bass tere didaar ki hasrat abb meri aankhon ko
Tujhko chhune ki khaayish hai abbb meri saanson ko
Meri tamanaa, meri chaahat
You and you, you only
I am so lonely
Baby i want you, dream you, need you, miss you, all day all night
