Cause i cant make you love me if you dont  
You cant make your heart feel  
Somethin it wont  
Turn down the lights turn down the bed  
Turn down these voices inside my head  
Lay down with me tell me no lies  
Just hold me close dont patronize  
Cause i cant make you love me if you dont  
You cant make your heart feel somethin it wont..  
Here in the dark in these final hours  
I will lay down my heart ill feel the power  
Cause i cant make you love me  
Cause i cant make  
I will close my eyes then i wont see  
Love you dont feel when youre holdin me  
Morning will come and ill do whats right  
Just give me till then to give up this fight  
Cause i cant make you love me if you dont  
You cant make your heart feel  
Somethin it wont  
Here in the dark, in these final hours  
I will lay down my heart  
Ill feel the power  
Cause i cant make
