I feel so good honey
to you no what
Sky so cool i want a fresh subha
One two three fly with me
I am in love and its true
I am in love in love with you
I am in love in love with you
I am in love in love with you
Ho meri hiriye meri julite
Tune aisa jadu dala
Jhat to diwana ho gaya ho
Zind meriye dil janiye
Mai to pagal dilwala teri
Aankho me kho gaya
Do char thumke laga le
Mere nal kunjada tu pa le
Mujhe dhadkano me basa le
Mujhe apna tu bana le
I am in love
Tell you can into my life i found
Special meaning we are to
People but we are you have
My heart is singing do you feel
Tell me my dear you my what you
My hapiness my heart is own you
To emptyness have one with me
I am in love and its true
I am in love in love with you
Tere sone sone naina
Mere lut ke lage chaina
Ab jo marji ho jaye tere
Sang sang hai rahana
Tera gora gora mukhada
Lagta hai chand ka tukada
Teri bate soni soni manu
Lagdi ye maan moni
Tera hi tera naam hai
Madhubala tera hai andaj nirala
Laharake chale aise mujhe
Yaad aaye batiyala
I am in love
Ho meri hiriye meri juliyete
Tune aisa jadu dala
Jhat to diwana ho gaya
Jhat to diwana ho gaya
Jhat to diwana ho gaya
Jhat to diwana ho gaya.
