Nazrein saansein mille
Jab hum aur tum mille
Pehle ka bhool jaayein
Abhi aur future ka sochein Nobody knows what the future holds for us
Letâ€™s give it our best
Oh jaana jaana jaana oh baby! Jab sath hote hain
Jab paas hote hain
Roobaroo hote hi
Meri rooh teri rooh se kaheâ€™I found love, I found love
I found love, I found it in youâ€™ (x3) Ik baat acchi hui ke
Khoobiyon ke pehle khaamiyan pata chali
Hai ghazab ki yeh baat Yeh baat hai ghazab ki
Khoobiyon ki baat khoob hai par
Khaamiyan bhi humein bha gayi gayi oh baby! Jab sath hote hain
Jab paas hote hain
Roobaroo hote hi
Meri rooh teri rooh se kaheâ€™I found love, I found love
I found love, I found it in you (x3) Zindagi, zindagi.. tujhko maine saunp di
Teri baahon mein, teri nazron mein
Tere labon ko chhu ke main
Tere dil mein bass gayi gayi babyâ€™Future mein na ja kar
Zindagi aaj abhi bitaate nibhaate jiyein Because I found love, I found love
I found love, I found it in you (x3)
