Give me the picture, who got the 8 x 10  
I need the picture, go get the 8 x 10  
Who got the picture, give me the 8 x 10  
I got the picture, we got the 8 x 10  
If you could only see what i see,  
Take a ride inside my zindagi  
If you could only see what i see,  
Take a ride inside my zindagi  
If you could only see inside my mind  
There s so much more than meets the eye  
Admi khelona duniya ke khel mein  
Lets go deep inside  
The mind of a mad man  
Lets go deep inside  
The mind of a mad man  
Admi khelona duniya ke khel mein  
Lets go deep inside  
He mind of a mad man  
Lets go deep inside  
The mind of a mad man  
Jaise nasha sharaab  
Mein aur garmi aag mein aur  
Roshni chhor jathi  
Saath jaise raat main aur  
Soch dimag mein aur,  
Pasina haath mein per  
Note jab haath aaye  
Tu koi na sath dee  
Admi khelona duniya ke khel mein  
Jo hona hai vo hona hai asool khel ke  
Asool khel ke badalte na  
Badalte log asoolon mein jo chalte na  
Dil mein rog khauf mere mun mein na  
Mein murdon me zinda hoon mare bina  
Lapata, rooh meri ajnabi,  
Meri nazaron se dekho zindagi  
Take a ride with me,  
Let s go deep inside my zindagi  
Lights camera action,  
Reaction is a mystery  
You re clueless  
Every path leads to confusion  
Lack of information blinded by illusion  
Show down, take a good look around  
Life is a game,  
And you re on the play ground  
Picture perfect with precision  
Stay on em until the end  
Only weapon in  
My hand is this 8 by 10  
Admi khelona duniya ke khel mein  
Lets go deep inside  
The mind of a mad man  
Lets go deep inside  
The mind of a mad man  
Admi khelona duniya ke khel mein  
Lets go deep inside  
The mind of a mad man  
Lets go deep inside  
The mind of a mad man.
