--chorus--
Higher desire, higher desire, higher desire
--male--
Yes i wanna take you higher, yes i wanna take you higher
Higher higher higher, that girl is my desire
Ek ladki ka chehra dikha hai yahan
Kaash ban jaaye voh mera dil meri jaan
Yes i wanna take you higher, that girl is my desire
Higher higher higher, that girl is my desire
Yes i wanna take you higher, that girl is my desire
Roop naya rang jawaan reshmi baahein
Sab se judaa mujhko lage uski adaayein
Yes i wanna take you higher, that girl is my desire
Dekhoon idhar dekhoon udhar aankh hate na
Uske bina ab to meri raat kate na
Yes i wanna take you higher, that girl is my desire
Ek ladki ka chehra dikha hai yahan
Kaash ban jaaye voh mera dil meri jaan
Wanna take you higher, that girl is my desire
Yes i wanna take you higher, that girl is my desire
Yaar mere jab se mujhe ishq hua hai
Hosh uda neend gayi haal bura hai
Yes i wanna take you higher, that girl is my desire
Kya hai mera dard koi usko pata de
Chain mile dil ko mere aisi dava de
Yes i wanna take you higher, that girl is my desire
Ek ladki ka chehra dikha hai yahan
Kaash ban jaaye voh mera dil meri jaan
