Paisa meri jaan hai
Paisa hi shaan hai
Paisa mera dharam hai
Paisa hi imaan hai
Paisa mein pyaas hai
Paisa meri aass hai
Saari duniya saath hai
Jo paisa mere paas hai
Paisa hi punya hai
Paisa hi paap hai
Paisa hi bhai bhen
Paisa mayi baap hai
Paisa hai to yaar hai
Paisa hai to pyaar hai
Paisa hi naseeb hai
Paisa hi habeeb hai
Paisa hai to naam hai
Paisa hai to kaam hai
Paisa khanakta hai
Paisa chamakta hai
Paisa mehekta hai
Paisa chanakta hai
Paisa hasata hai
Paisa rulata hai
Paisa jagata hai
Paisa sulata hai
Paisa hi gaata hai
Paisa nachata hai
Thatâ€™s why my friend
I want money

Good money bad money
Wrong money right money
White money black money
Oh my god i love money

Are i love money yaar

Money can buy me evêry
Thing bungalow motor diamond ring
Every body treats me

They will do anything
Money can make me
Dance and sing in london

Your so sexy you are
So wise i like your style
I love your eyes

Good money bad money
Wrong money right money

Oh my god i love money
Money is my only passion
What happend are
You lost where is your
Mother where is your father
He wants money he
Wanted only money
Look up i only love money
I am your brother i am your sister
I am your father i am your friend
Do you all have money no
Nobody belives in relation because
Money is the only thing in fashion
If there is no money

Life is nil money can
Be my every being
With money you see
How great you feel
Whether you beg borrow or steal
Pound rupee dollar dinar
If you got money you are a star
Money is money
What ever the name
With which you can
Play any kind of game
You live for money
You kill for money you
Lie for money you die for
Money money money
Wow somewhere in
The air money is there
Look that is no more
Still he wants more money man
Money i want money
Good good man good baby
Money i want money al
Right every body wants money
Money i want money all
Right every body wants money
Listen carefully this is only song
Every body must just chat.
