Tumko chhu le jo hawaa
Usey chhoona chaahun main
I donâ€™t wanna go on
And make castles in the sand
Tu jo sang chale
Naa honge tanha raaste
Iâ€™m gonna love you
Like no one ever can Ke kab tak main rahoon akele
You know I need you by my side
Ke kab tak main jeeyun akele
That one thing I have realized If you hold my hand
â€“ Badal jayegi meri duniya
If you hold my hand
â€“ Toh mill jaayegi sabhi khushiyan
If you hold my hand
â€“ Nikhar jayegi meri duniya
If you hold my hand
O baby I will never let you go O.. You callinâ€™ out for me
You callinâ€™ out for me, O..
You got me on my knees, on my knees, O..
You callinâ€™ out for me
You callinâ€™ out for me o..
You got me on my knees for life Hey mujhko mill jaao jo tum toh
Tumko sar-aankhoon pe rakh lunga main
Baby Iâ€™ll be there for you forever
Kehta aaya hoon mein time naâ€™ again (x2) Ho.. Tu jaane na ye, How I need you
Like a bird thatâ€™s looking for the sky
Main jaanu tere bin main kya hoon
O baby Iâ€™m just another guy If you hold my hand
â€“ Badal jayegi meri duniya
If you hold my hand
â€“ Toh mil jayegi sabhi khushiyaan
If you hold my hand
â€“ Nikhar jayegi meri duniya
If you hold my hand
O baby I will never let you go O.. You callinâ€™ out for me
You callinâ€™ out for me
O.. You got me on my knees, on my knees
O.. You callinâ€™ out for me
You callinâ€™ out for me
O.. You got me on my knees for life
