If you wanna love me slow me for love
If you wanna love me slow me for love
If you wanna love me slow me for love
Mujhe pyaar karo sau baar karo
Mere pyaar pe magar aitabaar karo
If you wanna love me
Yes i wanna love you
Love me for love
I wanna love you for love
Before you give your heart to me
I wanted to be sure
The love you have for me
Should be deep and pure
I wanted to be sure
Your love is deep and pure
And if its deep and pure
I want it even more
Dil le gayi mera ye baat teri
Pyaari lage har mulaakaat teri
Tu to ab dhadkan meri ban gayi hai
Chaahat teri zindagi ban gayi hai
If you wanna love me
Yes i wanna love you
Love me for love
I wanna love you for love
If you wanna love me
Yes i wanna love you
Love me for love
I wanna love you for love
I want to feel like a bird
Just love me and let me fly
I love you
I miss you so much
Dont stop me i just want to cry
Just take me in your arms
And look into my eyes
If i pour my love on you
Dont be taken by surprise
I wont stop your love
Maybe its wrong or right
Let the whole world know
How souls unite
Meri mohabbat ko aanchal banaa le
Tu mujhako ankhon kaa kaajal banaa le
Har saans meri tujhako pukare
Ye umra gujare wafaa ke sahaare
If you wanna love me
Yes i wanna love you
Love me for love
I wanna love you for love
If you wanna love me
Yes i wanna love you
Love me for love
I wanna love you for love
