Naa naa naa naa pappi kee hadatal hai chacha jee
Aaj aap se meraa ek sawaal hai chacha jee
Are c model mercedes se pyaaree meree summi
Jo mangogee vahee milega agar milegee chummi
Toh vaada karo kee naye naye kapade silvaunga, kapade silvaunga
Vaada karo kee un kapado me ittar lagaunga, ittar bhee lagaunga
Vaada karo kee jip nahee ghode par jaaunga
Ghode par, kyon kya baat hai

Aa.....
Ik baat sunee hai chacha jee, batalaane vaalee hai
Ghar me ek anokhee chij aane vaalee hai
Han re bhaiya ne phir koyee ladakee dekhee hai
Teree chaachee bulldozer aane vaalee hai
Din aur rat kee khiit pit hogee horn bajaayegee
Achche kase ghar ko woh gairaj banaayegee
Are aap ko ain vain chachee se khatara lagata hai
Shaadee ho jaaye toh phir dekhe kaisa lagata hai
Are aayegee hee abb toh woh jo aane vaalee hai...
Jaane abb kya hoga woh kya haal banaayegee
Muh se khata tha woh naako chane chabvaayegee
Gobhee aalu bane toh kahana aalu gobhee de
Haal naa khana maal naa khana, khana baakee jo bhee de
Are aayegee hee abb toh woh jo aane vaalee hai...
