Paint it paint it paint it
Oo aa take the
World and paint it red
Oo aa paint it red
Oo aa take the
World and paint it red
Oo aa paint it red
Ik junoon ik deewangi
Har taraf har taraf
Bekhudi bekhudi bekhudi
Har taraf har taraf
Kahe halke halke
Yeh rang jhalke jhalke
Jo kisse hain kal ke bhula de tu
Koi haule haule mere dil se bole
Kisi ka toh hone chal
Jaane de koi jadoo
Oo aa take the world
And paint it red
Oo aa paint it red
Cool say
Oo aa take the world
And paint it red
Oo aa paint it red
Ek junoon ek deewangi
Har taraf har taraf
Bekhudi bekhudi bekhudi
Har taraf har taraf
Yeh pal joh bharpoor hai
Jo nashe mein choor hai
Iss pal ke daaman mein
Hai madhoshiyan
Ab toh yeh andaaz hai
Haathon haathon saaz hai
Aawazo mein ghulti
Hai rangeeniyen
And take the world & on & on
And paint the world and na na na
Kahe halke halke
Yeh rang jhalke jhalke
Jo kisse hain kal ke bhula de tu
Koi haule haule mere dil se bole
Kisi ka toh hone chal
Jaane de koi jadoo
Oo aa take the world
And paint it red
Oo aa paint it red
Oo aa take the world
And paint it red
Oo aa paint it red
Oo aa oo aa
Sab zanjeerein todh ke
Saare uljan chhod ke
Hum hai dil hai aur hai awaargi
Kuch din se hum log
Par aata hai sab ko nazar
Aaya hai jo daur hai awaargi
And take the world & on & on
And paint the world and na na na
Kahe halke halke
Yeh rang jhalke jhalke
Jo kisse hain kal ke bhula de tu
Koi haule haule mere dil se bole
Kisi ka toh hone chal
Jaane de koi jadoo
Oo aa take the world and
Paint it red oo aa paint it red
Oo aa take the world and
Paint it red oo aa paint it red
Oo aa take the world and
Paint it red oo aa paint it red
Oo aa take the world and
Paint it red oo aa paint it red
Oo aa take the world and
Paint it red oo aa paint it red
Oo aa take the world and
Paint it red oo aa paint it red
Oo aa take the world and

Paint it red oo aa paint it red.
