Main bhi hoon tu bhi hai aamne saamne  
Dil ko behka diya ishq ke jaam ne  
Musalsal nazar barasti rahi  
Taraste hai hum bheege barsaat mein  
Ik mulaqaat  
Ek mulaqaat mein, baat hi baat mein  
Unka yun muskurana gazab ho gaya  
Kal talak wo jo mere khayalon mein the  
Rubaru unka aana gazab ho gaya  
Mohabbat ki pehli mulakaat ka  
Asar dekho na jaane kab ho gaya  
Ik mulaqaat mein, baat hi baat mein  
Unka yoon muskurana ghazab ho gaya  
Kuch khayal nahi hai  
Ik taraf main kahin  
Ik taraf dil kahin  
Ehsaas ki zameen pe  
Kyun dhuaan uth raha hai  
Jal raha dil mera  
Kyun pata kuch nahi  
Kyun khayalon mein kuchh  
Barf si gir rahi  
Reit ki khwahishon mein nami bhar rahi  
Musalsal nazar barasti rahi  
Taraste hain hum bheege barsaat mein  
Ik mulaqaat  
Ik mulaqaat mein, baat hi baat mein  
Unka yun muskurana gazab ho gaya  
Kal talak wo jo mere khayalon mein the  
Rubaru unka aana gazab ho gaya.
