W.t.f!
Subah subah hi hona tha ye
Yeah!
Subha ke hai baje 6 darwaja hua knock on
Border patrol sarkar hawaldar mere piche
Mujhe lage immigration hold
Lamba case bandha tang paise kam haan
Record label deke maange paise soul
Overseas kaise karu shows
Aankhe laal meri gaadi chale slow
Karun baat bina piche du jawab
Worldwide launde sune
Mera delhi wala flow haan
Underground tha main kal aaj kal next level
Meri game jabse mili mujhe fame
Accounts kare roll
10 tola mere gale pe hai chain
Banda bole muje hind is the best
Camera roll gali walk mere yaar davedaar
On clock likhe glock
Shooteron se bhara mera blood
Mere vair nange pair
Galiyon main mere maange khair haan
Ek second haan
Ek dafa dubara baat karne de un logo se
Bندوق mere bol fans ka dil hai maine chir diya
Ek do bande asli baki rapper saare ch*tiya
Benakab yaar saare daaku
Industry ko hai loot liya
Mangu maut ya karar du ya jail hu main
Kaidi hu main hona chahun main faraar
Yaar dost rishtedaar saari baate jode kon
Mere dil ki darar, mere dil ki darar
A young j.hind on a flight to the north side
Land hotein girafaar
They locked me up no trial
Kyu ayaan mera desh mein
Yahan tera kya kaam hai?
Explained song kiya
Meine so & so ki saath mein
Officer was desi so i told him
Itâ€™s for singh is king
He smiled and stamped my file
Entry denied like he aint hear a thing
Passport no good, now im back in the hood
Geet kya likhoon, jab kaid hoon mein khud?
\$100,000 dollars pricetag mera freedom ka
Kya yahin hai keemat mera jeewan ka?
Labels kyu sign karein
If i canâ€™t even do a show.
(they) love me worldwide
But usa wonâ€™t let me go!
Government wale chor, inquilab necessary
J.hind get your paisa before you get buried
Still dreaming of millions & buying airplanes
Meanwhile iâ€™m trapped on the
Block moving them thangs
Yeah!
Itâ€™s okay bro
I was in the same situation!
