

Incubated Lyrics - Help :

Singer - [Ashutosh Phatak](#), [Keerthi Sagathia](#)

Lyricist - [Irshad Kamil](#)

Music - [Ashutosh Phatak](#)

Music Label - Pen

Since god is willing to experiment
Everytime you pay a compliment
Incubated just for death
It s really with no breath
If you see..i have no choice
Star is..experimenting
I ve screams from my inner voice
Everytime you pay a compliment
Incubated just for death
It s really with no breath
If you paid just for death.
