Hmm.. maikhaqne mein sab jaam ke lab chuum rahe hain
Ham aapki aankhon se pee ke jhoom rahe hain
Yeh aankhen nashili yeh pakken gulaabi
Inhen dekh kar ham hue hai sharaabi
Ho yeh naazuk adaayen yeh chehra kitaabi
Inhen dekh kar ham hue hai sharaabi - 3
Abhi tum meri jaan fakat ek kali ho
Bahaaron ki aaghosh mein tum dhali ho
Abhi tum meri jaan fakat ek kali ho
Bahaaron ki aaghosh mein tum dhali ho
Nazar tumpe bhavron ki padne lagi hai
Tumhari nazar dil mein gadne lagi hai
Har andaaz mein ek nazaakat chhupi hai
Tumhari hasi mein qayaamat chhupi hai
Tumhi se nazaron mein yeh dilkashi hai
Gulon ke labon par tumhari hasi hai
Ishaaren tumhare machaye tabaahi
Inhen dekh kar ham hue hai sharabi - 3
Jawani ka tumpe suoor aa raha hai
Magar thoda thoda guroor aa raha hai
Jawani ka tumpe suoor aa raha hai
Magar thoda thoda guroor aa raha hai
Nazar se har ek baat kehne lagi ho
Khayalon mein din raat rehne lagi ho
Kabhi tum bhi samjhho mere dil ki uljhan
Kareeb aa ke sun lo kya kehti hai dhadkan
Yeh nazron ke sholay bhadakne lage hai
Kadam ab hamare behakne lage hai
Yeh baahen tumhari hai jaise suraahi
Inhen dekh kar ham hue hai sharaabi - 3
Tumhara hi charcha hai saare shehar mein
Deewane khade hai tumhari dagar mein
Tumhara hi charcha hai saare shehar mein
Deewane khade hai tumhari dagar mein
Zara bach ke chalna abhi tum ho kamseen
Naye naye tumse jawani ke hai din
Bahaane banana tumhe aa gaya hai
Nigaahen churaana tumhe aa gaya hai
Tumhari mohabbat mein yun kho gaye hai
Zamane se ham bekhabar ho gaye hai
Yakeen jo na aaye toh lo dil ki gawaahi
Inhen dekh kar ham hue hai sharaabi - 3
Yeh aankhen nashili yeh pakken gulaabi
Inhen dekh kar ham hue hai sharaabi
Ho yeh naazuk adaayen yeh chehra kitaabi
Inhen dekh kar ham hue hai sharaabi - 3
