Wo ho...

Leke haathon mein jalti mashaal
Aag bharta ja re
Kadmo ki dhool se bawandar bana ke
Aage badhta ja re

Hai buland aashman se tera.. hausla
Ho.. jaaye jo bhi haal ab tu karle.. faisla

Iraade kar buland, khauf ko pachaad de
(ho ho...)
Leke saath sabko aaj ek dahaad de
(ho ho...)

Iraade kar buland, khauf ko pachaad de
Leke saath sabko aaj ek dahaad de
(O ho...)

1, 2, 3 Yeah
Aankho mein dekhe wo saare jo khwab hai
Poora use karle (What?)
Haatho mein leke tu haath ek dooje ka
Chattano se lad le
Kabhi na ruk, kabhi na hatt
Kabhi na jhuk, kabhi na darr
Lakeer bana de tu khud in haathon ki
Waqt tera karle

Jee le tu shaan se
Lad ja toofaan se
(O ho...)

Aaj mauka hai kuch kar jaa re
Zor deke junoon ban ja re
Likh de taqdeer khud haathon se
Milke saath falak chadh ja re

Jod ke ek aur ek 11 bana ke
Tu saara jahaan jeet le (what?)
Nafraati deewar tod de saari
Tu parcham yahan gaad de
Kabhi na ruk, kabhi na hatt
Kabhi na jhuk, kabhi na darr
Laqeer bana de tu khud inn haatho ki
Waqt tera karle

Hai buland aasmaan se tera.. hausla
Ho.. jaaye jo bhi haal aab tu karle.. faisla

Iraade kar buland, khauf ko pachaad de
Leke saath sabko aaj ek dahaad de
Iraade kar buland, khauf ko pachaad de
Leke saath sabko aaj ek dahaad de
(O ho...)

Iraade kar buland, khauf ko pachaad de
Leke saath sabko aaj ek dahaad de
Iraade kar buland, khauf ko pachaad de
Leke saath sabko aaj ik dahaad de
