Is jag ke vishal pinjre mein
Laakhon panchhi bhatak rahe
Kahi gagan paataal kahi
Arre beech mein
Ham sab latak rahe
Waah re dayalu
Waah waah re dayalu
Arre waah re dayalu
Waah waah re dayalu aaha
Waah re dayalu waah
Waah re dayalu
Arre waah re dayalu
Waah waah re dayalu
Dhanya chamatkar
Tera dhanya hai jaadu
Waah re dayalu
Waah waah re dayalu
Arre waah re dayalu
Waah waah re dayalu
Samajh mein na aaye
Naath maaya tihari
Naath maaya tihari
Arre ho ho ho
Samajh mein na
Aaye naath maaya tihari
Khoob hamein tune
Nachaya hai madari
Arre khub hamein tune
Nachaya hai madari
Nachaya hai madari
Dol uthhe ham
Arre dol uthhe ham
Jo sunkar tera damru
Arre waah re dayalu
Waah waah re dayalu
Arre waah re dayalu
Waah waah re dayalu
Khelta hai kyu hamse
Aankh michauli
Prabhu aankh michauli
Arre ho ho ho
Khelta hai kyu khelta hai
Kyu hamse aankh michauli
Teri deewaali mein
Hamari huiy holi
Arre teri deewaali
Mein hamari huiy holi
Hamari huiy holi
Tu bada ustāad hai
Guruo ka bhi guru
Waah re dayalu
Waah waah re dayalu
Arre waah re dayalu
Waah waah re dayalu
Chaaro taraf panchhiyo
Ka lag raha meinla chaaron taraf
Chaaro taraf panchhiyo
Ka lag raha meinla arre ho ho ho
Chaaro taraf panchhiyo
Ka lag raha meinla
Tune to is meinle mein
Hamko bhi dhakela arre
Tune to is meinle mein
Hamko bhi dhakela
Haay hamko bhi dhakela
Ham to kaha ye kaha
Khench laya tu waah re dayalu
Waah waah re dayalu
Arre waah re dayalu
Waah waah re dayalu
Dhanya chamatkar
Tera dhanya hai jaadu
Waah re dayalu
Waah waah re dayalu
Aa ha ha ha arre
Waah re dayalu.
