Isey naam doon main kya?
Jo milke tumke hua
Koi dard hai jo khinche
Rishte ye dil ki sinche
Hai itni tu paas
Chalti hai saans tera libas odhe
Chalun teri hi ore nahi dil pe joor
Koi door humko joode
Hai itni tu paas
Chalti hai saans
Tera libas odhe
Chalun teri hi ore
Nahi dil pe joor
Koi door humko joode
Dhoondhe nazar jisko
Mera pata tum ho
Tum jo ijazat do
Keh doon khuda tum ho
Khamosh saayon do
Kuch baat karne do
Dil ki sadaon ko
Dil se gujarne do
Mera nazara ho
Dilkash ishara ho
Ab toh sahar tum hi ho
Isey naam doon main kya?
Jo milke tumke hua
Koi dard hai jo khinche
Rishte ye dil ki sinche
Hai itni tu paas
Chalti hai saans tera libas odhe
Chalun teri hi ore nahi dil pe joor
Koi door humko joode
Hai itni tu paas
Chalti hai saans tera libas odhe
Chalun teri hi ore nahi dil pe joor
Koi door humko joode
Dil pe likha jisko tum aisi aayat ho
Sajda tum hi mera, tum hi ibadat ho
Ho, raahat ho barkat ho, jeene ki chahat ho
Chhodun tumhe kalsey, tum meri aadat ho
Mehki hawaon mein, chaaro dishaon mein
Ab toh duaon mein tum ho
Isey naam doon main kya?
Jo milke tumke hua
Koi dard hai jo khinche
Rishte ye dil ki sinche
Hai itni tu paas
Chalti hai saans tera libas odhe
Chalun teri hi ore nahi dil pe joor
Koi door humko joode
Hai itni tu paas
Chalti hai saans tera libas odhe
Chalun teri hi ore nahi dil pe joor
Koi door humko joode.
