Kamina hai yeh kambakht hai, nikamma nigora babakht hai  
Mile ishk ko kya kya kitab  
Magar ishk kya hai abb hamse suniye janab  
Sau bar dil se nikala ise, kya kya nahee keh dala ise  
Besharm hai pas aata nahee, iss kis bahane se tala ise  
Phir bhee na dil se gaya  
Ishk hai yeh behaya, besharm behaya  
Aankho ke raste se sanso me aata hai  
Phir dil pe qabja jamata hai yeh  
Do char din mauj mastee karata hai  
Khwabo ke duniya dekhata hai yeh  
Aasheek ko haske petata hai yeh  
Baju ke gane bichhata hai yeh  
Shavir shikaree hai phir pyar se  
Milke hee mauka phasata hai yeh, koyee parinda naya  
Ishk hai yeh behaya, besharm behaya  
Behaya mitha jeher hai yeh, ang leher hai yeh  
Iske lapete me aana na tu  
Aawara badal hai thoda sa pagal hai  
Isko kabhee mooh lagana na tu  
Kadme milne se yeh darta nahee  
Logo kee parwah karta nahee  
Bachpan se bighra huwa hai munna  
Kuchh bhee kafo par sudharta nahee  
Arre aaye na isko haya  
Ishk hai yeh behaya, besharm behaya  
Sau bar dil se nikala ise, kya kya nahee keh dala ise  
Besharm hai pas aata nahee, is kis bahane se tala ise  
Phir bhee na dil se gaya  
Ishk hai yeh behaya, besharm behaya  
Ishk hai yeh behaya
