Ishq hai ek hakeeqat

Ishq dilon ki zaroorat
Yeh baath hai sach vallah

Ishq dilon ki zaroorat
Yeh baath hai sach vallah
Subhan allah subhan allah
Subhan allah subhan allah
Udaaya mere neendh ko udaaya
Jagaaya mera dard-e-dil jagaaya
Deewaana humein ishq ne banaaya
Chain-o-sukun loota
Tere hi jadoo
Teri hi khusboo
Khayalon mein hai tu hai tu hai baby
Ishq subhan allah
Love is gonna take you higher
Ishq subhan allah
Its gonna set your heart on fire
Ishq subhan allah
Love is gonna take you higher
Ishq subhan allah
Its gonna set your heart on fire
Its love
Baby that's wonderful
Its love
Baby that's beautiful
Its love
It's gonna baby move your world
Its love
Coming back coming back girl
Fasanna kuch bhi kaha na jaaye
Akele ab to raha na jaaye
Jahaan hum ishq mein bhulaaye
Pal pal suroor chaaya
Kasak jaagi lagan laagi
Koi na jaane haal apna baby
Ishq subhan allah
Love is gonna take you higher
Ishq subhan allah
Its gonna set your heart on fire
Ishq hai ek hakeeqat

Ishq hai ek ibaadath
Ishq dilon ki zaroorat
Yeh baath hai sach vallah
Subhan allah
Subhan allah
Subhan allah
Subhan allah
Ishq subhan allah
Love is gonna take you higher
Ishq subhan allah
Its gonna set your heart on fire
Ishq subhan allah
Love is gonna take you higher
Ishq subhan allah
Its gonna set your heart on fire.
