Ulajhta ragoon, jhulasta rahuin  
Teri chahat mein main jaluin  
Main jinay ki khwaish mein marra rahuin  
Yeh kaisi sanak yeh main karta huin kyun  
Ishq tere jalwe har pehar dil mein balwe  
Yeh sanak fitraton mein basi hai kahin  
Raat ko jugnuon ki bhanak bhi nahi  
Andhiare hi raas aate unhe  
Ishq tere jalwe har pehar dil mein balwe  
Goom soom kabhi thaamo na haath  
Do pal toh sang sang chalo  
Ek rah ke, ek mod par khwaabon ki tarah milo  
Raahein toh hain sabki juda  
Tum apni raah par chalo  
Haathon mein haath aacha hai khwaab  
Khwaabon se baahar milo  
Ishq tere jalwe har pehar dil mein balwe  
Jo bhi kiya kum hi kiya karne ko kitna hai baki  
Gum ke sheher mein tanha phirun kuch toh khabar lo yahan ki  
Khud ke liye sab hai kiya phir kyun hai etni udaasi  
Humne bhi toh chun li hai khud khwaahish ki raahein dhua si  
Ishq tere jalwe har pehar dil mein balwe  
Yeh sanak fitraton mein basi hai kahin  
Raat ko jugnuon ki bhanak bhi nahin  
Andhiyaare hi raas aate unhe  
Ishq tere jalwe har pehar dil mein balwe
