Kyun aag ka dariya hai
Jo doob ke jaana hai
Kyun thandi lehar nahi
Jo paar lagaa jaaye
Kyun toote faste hain
Kyun sooni galiyan hain
Kyun aisi raah nahi
Jo yaar mila jaaye
Jis qisse mein tu ibbadat hai
Woh bas ek jhoothi baat hai kya
Aye ishq teri&
Aye ishq teri zaat hai kya
Aye ishq teri zaat hai kya
Kya dharam hai tera yaad hai kya
Aye ishq teri zaat hai kya
Yeh duniya bhi kya duniya hai
Jo ishq ki bairi ban baithi&
Yahaan surkh gulabi shaamein bhi
Ghanghor dupehri ban baithi
Jahaan Radha ke sang Krishna huve
Wahaan toote dil yeh riwaz hai kya
Aye ishq teri&
Aye ishq teri zaat hai kya
Aye ishq teri zaat hai kya
Kya dharam hai tera yaad hai kya
Aye ishq teri zaat hai kya
Na jaane duniya ki rasmein
Dil to dil pehchaane
Rab jaisa hai ishq
Toh rab ke bandey kyun na maane
Maasoom si aankhon mein jaane kyun
Dard khauf ke saaye hain
Kyun har aashiq ke daaman mein bas
Khoon ke cheente aaye hain
Maasoom si aankhon mein jaane kyun
Dard khauf ke saaye hain
Kyun har aashiq ke daaman mein bas
Khoon ke cheente aaye hain
Har shaqs Khuda ban baitha hai
Tu keh de teri bisaat hai kya
Aye ishq teri&
Aye ishq teri&
Aye ishq teri zaat hai kya
Aye ishq teri zaat hai kya
Kya dharam hai tera yaad hai kya
Aye ishq teri zaat hai kya..
