Ho hoon ho hoon..  
Pehlan pehlan apan dovein ek dusre ton  
Hunde anjaan si kamle shudayi si  
Pyar di dohan nu naa koyi pehchan si  
Milde milde ned a gaye dil de ho  
Milde milde ned a gaye dil de  
Ishqaa tere hun mere tain asher horiyan ae  
Hogya tere mera kolon dil kho reya ae  
Main laggiyan nibhaunga  
Bas mera tu saath devi  
Hath phad ke main chhad da nahi  
Haan tu vi mere naal rahvi  
Khaab adhuraray ho jaane puray  
Ho khaab adhuraray ho jaane puray  
Tere naal bite jini ye yaan  
Mukhdan tera rabb jane main nu kyon  
Moh reha ae ho gaya tera mera mere kolon  
Dil kho reha ae ishqaa tera hun  
Mere te ashar ho reha ae  
Raatan nu hun uth uth ke  
Tere naam nu pukaar da haan main  
Apni hun haye jaanvi  
Tere utton varda ha main  
Tinka tinka jod ke baneya ho  
Tinka tinka jod ke baneyam  
Ashiqan da apna jahaan  
Hun hawavan chon lagge  
Mere layi etar chon reha ae  
Ho gya tera mera mere kolo dil kho reha ae  
Ishqaa tera hun mere te asar ho reha ae  
Ho gya tera mera mere kolo dil kho reha ae  
Ishqaa tera hun mere te ashar ho reha ae
