Itanee naajuk naa bano haaye, itanee naajuk naa bano
Had ke andar ho najaakat, toh ada hotee hai
Had se bada jaaye toh, aap apanee saja hotee hai
Itanee naajuk naa bano, haaye itanee naajuk naa bano
Jism kaa bojh uthaaye nahee uthata tumse
Jindagaanee kaa kada bojh sahogee kaise
Tum jo halkee see hawaao me lachak jaatee ho
Tej jhonko ke thapedo me rahogee kaise,
Itanee naajuk naa bano, haaye itanee naajuk naa bano
Yeh naa samajho ke har ik raah me, kaliya hongee
Raah chalanee hai toh kaanto se bhee chalana hoga
Yeh naya daur hai iss daur me jine ke liye
Husn ko husn kaa andaaj badalana hoga
Itanee naajuk naa bano, haaye itanee naajuk naa bano
Koyee rukhata nahee thehare huve raahee ke liye
Jo bhee dekega woh katharake gujar jaayega
Ham agar wakt ke hamraah naa chalane paaye
Wakt ham dono ko thukraake gujar jaayega
Itanee naajuk naa bano, haaye itanee naajuk naa bano
Itanee naajuk naa bano haaye, itanee naajuk naa bano
Had ke andar ho najaakat, toh ada hotee hai
Had se bada jaaye toh, aap apanee saja hotee hai
Itanee naajuk naa bano, haaye itanee naajuk naa bano
