Chhoti chhoti baatoâ€™n se
Tune jo sataaya mujhe
Ungli pe nachaake tune
Choona jo lagaya mujhe Arey jaa jaa jaa
Go to hellâ€™!
Arey jaa ja ja
I want silence
Jaa chudail, Jaa chudail
Ya ya, Ja chudail Palkon pe bithaya tujhe
Roothi toh manaya tujhe
Pyaar mein toh khuda
Bhi banaya tujhe par (par)
Tujhko kadar nahi
Yeh le dekh thenga mera
Ha ha ha
Tail lene ja tu
Koi kya ukhad lega mera
Ae..
Abey ja ja ja
Go to hellâ€™! Ja ja ja
Once again
Jaa chudail, Ja chudail
Chudailâ€™sitaaraâ€™ Phoolon sa chehra tera
Dil pe tha pehra tera
Reh gaya ab wahaan, dard gehra tera, hatt
Phool wool kuch nahin, sada hua aalu hai tu
You know what you are Phool nahin, pari nahin, jungli ek bhaalu hai tu
Arrey haan haan haan, go to hell
Arrey ja ja ja, everybody
Jaa chudail, jaa chudail, chudail
