Dil jeha lagda nahi  
Asar ae tere pyaran wale rang de ne  
Ho tata darde aan  
Ishqe de dange paani vi na mangde ne Saah ruk geya vekheya jadd tainu  
Haaye ho sh rahi na ni mainu  
Vekhi leeran karji na tu shaan munde di Haaye tere hath vich haan diye  
Ni jaan munde di (jiaan munde di)  
Tere hath vich haan diye  
Ni jaan munde di (jiaan munde di)  
Haaye tere hath vich haan diye  
Ni jaan munde di (Din nahiyo chadh da)  
(Din nahiyo chadh da)  
Tera chaaka lain layi mod te khad da  
(Mod te khad da)  
Tere bin mera din nahiyo chadh da  
Tera chaaka lain layi mod te khad da Naa horan wangu aiven neet beimaan munde di Haaye tere hath vich haan  
diye  
Ni jaan munde di (jiaan munde di)  
Tere hath vich haan diye  
Ni jaan munde di (jiaan munde di)  
Haaye tere hath vich haan diye

Jis din di ae haami tenu bhar bethe

Haaye tere hath vich haan diye  
Ni jaan munde di
