Jaan merree jaane jaana sang sang chale kahee  
Haatho me haath tum mere, saath ruke naa ham kahee  
Tim tim timaate taare milke dete hain roshanee  
Jagamag jagamag jagamag juganu chamakaaye raat hasin  
Tim tim tim tim tim tim taare de roshanee  
Jagmag jag jagmag jag juganu se raat hasin  
Toh jhila milaaye uss tarah tim timaaye uss tarah  
Ham tum bhee milke kyon naa jagamagaaye jindagee  
Tinake jude toh banata hai aashiyaana  
Bunde bhare hain saagar kaa paimaana  
Bas usee tarah se -2 apane dil mile  
Toh mausam ho jaaye aashikaana  
Apane hontho pe hai hardam mitha mitha ek taraana  
Yaaro apana dil bada hai shayaraana shayaraana  
Hame pata hai ek aag hai udhar bhee  
Pahunchee hai jisakee aanch toh idhar bhee  
Hamako pata hai ek aag hai udhar bhee  
Pahunchee hai jisakee aanch toh idhar bhee  
Aasara jale ham aasara jale dono ke ishk mile  
Toh roshan ho jaaye yeh jahan bhee  
Shola shola bhadake jara, jarra jarra chamake jara  
Jiya jiya sulage jara, roan roan damake jara
