Jaan meri jaan-e-jaana
Sang-sang chalen kaheen
Haathon mein haath tum
Mere saath ruken na ham kaheen
Timatimatimaate taare mil ke
Dete hain roshani
Jagamag jagamag jagamag jugnu
Chamakaayen raat haseen
Tim tim tim tim tim taare den roshani
Jagamagajag jagamagajag
Jugnu se raat haseen
To jhilaayaen us tarah
Timatimaayen us tarah
Ham-tum bhi mil ke kyon
Na jagamagaayen zindagi
Tinake juden to banaa hai aashiyaana
Boonden bhare hain
Saagar ka paimaana
Bas usi tarah se bas usi
Tarah se apne dil milen
To mausam ho jaaye aashiqaana
Apne honthon pe hai
Haradam meetha-miitha ek taraana
Yaaro aana dil bada hai
Shaayaraana shaayaraana
Hamein pata hai ek aag hai udhar bhi
Pahunchi hai jisaki aanch to idhar bhi
Hamako pata hai ek aag hai udhar bhi
Pahunchi hai jisaki aanch to idhar bhi
Aasara jale ham aasara jale
Donon ke ishq milen
To roshan ho jaaye ye jahaan bhi
Sholaa-shola bhadake zara
Zarra-zarra chamake zara
Jiyaa-jiya sulage zara
Roaan roaan damake zara.
