Ve sajna pyareyan nu
Chhad ke nai jayida
Jaan ton pyareyan na
Daga nai kamaida Koi pairi dil vichhaunda hove
Koi saahon vadh ke chaunda hove
Koi pairi dil vichhaunda hove
Saahon vadh ke chaunda hove Ohnu theda ni marida haaye
Theda ni marida
Sache Rabb ton darida Ve jaan ton pyareya ve
Aidan nai karida (x3) Oâ€! aaâ€! Koi raahan vich khada je, uleek da hove
Koi akhiyan aâ€ ch khaaban nu, uleek da hove
(Uleek da hove, uleek da hove)
Koi raahan vich khada je, uleek da hove
Koi akhiyan aâ€ ch khaaban nu, uleek da hove Ohnu laara nai layida haaye
Laara nai laayida
Jhootha bol nai bharida Ve jaan ton pyaareya ve
Aidan nai karida (x3) Ve main tere pichhe kehdi
Das peedh na sahi
Akhaan giliyan ne maahi
Aake dekh taan sahi
Ki mera ae kasoor
Je hoyi aapan door
Lekhan ne kita ae choor choor ve Koi dil vich honke dabb ke
Je teri akkad jarda ae
Kade gaur naal tu sochi ve
Judaa hon ton darda ae
Judaa hon ton darda ae Koi dil vich honke dabb ke
Je teri akkad jarda ae
Kade gaur naal tu sochi ve
Judaa hon ton darda ae Ohnu laara ni layida haaye
Lara nai layida
Jhootha bol nai bharida Ve jaan ton pyaareya ve
Aidan nai karida (x3)
