Jaaneman hum se -2 aaj ek waada karo
Jaaneman hum se aaj ek waada karo
Pyaar karne ka humse irada karo
Chaahe todo -2 magar ek waada karo
Chaahe todo magar ek waada karo
Pyaar karne ka humse irada karo
Mujhe paana hai toh mere nakhare utha
Meri taarif kar, mujhe dil mein bitha
Meri aankhein hai jhil, iname gota laga
Jaan nyochhyavar tu kar, apani hasti mita
Kitani naajuk hai dekh meri patali kamar
Teri kismat hai jo padi isape najar
Mere lab hai -2 shole, jara chhuke tu dekh
Sard hai yeh mausam, aag se khud ko sekh -2
Aise dilkash kabhi phir na aayegi raat
Aise mauke ka kuchh toh irada karo
Pyaar karne ka humse irada karo
Ishq jaisi nahi iss jahaan mein daulat
Ishq milata hai toh de de har tu kimat
Isase badhakar nahi kahi koyi lajjat
Ishq rehmat bhi hai, ishq hi hai niymat
Ishq ne hai bakshi iss jahaan ko jinat
Ishq ho jaaye toh badal jaaye kismat
Ishq neki anda -2 iss jahaan ko ijjat
Saare aalam mein hai ishq se hi rangat -2
Tum bhi aashiq bano, thodi jururrat karo
Apne dil ko jara tum ishaara karo
Pyaar karne ka humse irada karo
Jaaneman hum se -2 aaj ek waada karo
Jaaneman hum se aaj ek waada karo
Pyaar karne ka humse irada karo
