Jaaneman hum se -2 aaj ek waada karo
Jaaneman hum se aaj ek waada karo
Pyaar karne ka humse irada karo
Chaahe todo -2 magar ek waada karo
Chaahe todo magar ek waada karo
Pyaar karne ka humse irada karo
Raat hai chaandani, chaandani raat hai
Dil mein taaron bhari utari baaraat hai
Chaand suraj tere, sab najaare tere
Tu jo mil jaayega yeh sitaare tere
Dil yeh de du tujhe, dil ki aukaad kya
Jaan de du tujhe, jaan ki baat kya
Teri khaatir jiyu, teri khaatir maru
Marte marte bhi mai bas itana kahu
Chaahe kam kam karo, chaahe jyaada karo
Chaahe todo magar ek waada karo
Pyaar karne ka humse irada karo
Ek tu hai anaar yaah sau hai bimaar
Jo bhi dekhe tujhe use chadhata bukhaar
Tere jalawo se koyi yahaan kaise bache
Inn aankhon se nikale talab mein fase
Hai do aatasha tera shola badan
Tere didaar se ho jaaye jashan
Tujhe paane ko main har bagaawat karu
Iss jaaan se ladu, katlokhaarat karu
Itani chaahat tumhe iss jamaane ne di
Aise aashiq ki kuchh toh khushaamat karo
Pyaar karne ka humse irada karo
Jaaneman hum se -2 aaj ek waada karo
Jaaneman hum se aaj ek waada karo
Pyaar karne ka humse irada karo - 4
