Jab se asalee rup sabka maine dekha hain
Abb koyee sadma mere dil par nahee lagta
Doston se naa milo -2 taklif hotee hai
Fayda hai ??? me khanjar nahee lagta - 4
Jab se asalee rup sabka
Inke chehre par lage rehte hai sau nakab
Ham bhee samajh paye nahee kante hai ya gulab
Har kadam par yad inke aate hai sitam
Likhne baitho toh banegee inpar ek kitab inpar ek kitab
Yaron ne bheje hain -2 woh phul chubhte hain
Gair kaa phenka huan pathhar nahee lagta
Jab se asalee rup sabka
Pehle toh har rat me hote hai yeh shamil
Dosto gumrah karke todte hai dil
Phir sitam hai ke yeh hamdardee bhee karte hai
Var woh karte hai jo kar paye naa katil kar paye naa katil
Doston ke nam se -2 ham karp jate hain
Dushmanon kee dushmanee se darr nahee lagta
Jab se asalee rup sabka
Apne matlab ke siva karte nahee yeh bat
Napte hai paiso se yeh yar ke halat
Inka kam nikal jaye toh ho jate hai dur
Kaise janenge bhala yeh auron ke jasbat auron ke jasbat
Kya kare ham dekhkar -2 duneeya kee dilkashae
Abb suhan a koyee bhee manjar nahee lagta
Jab se asalee rup sabka -2 maine dekha hain
Abb koyee sadma mere dil par nahee lagta
Doston se naa milo -2 taklif hotee hai
Fayda hai ??? me khanjar nahee lagta - 4
