Lage re lage re lage re nainwa
Lage re lage re
Lage re lage re lage re nainwa
Lage re lage re Jab se tere naina mere naino se laage re
Jab se tere naina mere naino se laage re
Tab se deewana hua aah haa
Sab se begaana hua aah haa
Rab bhi deewana lage re oye oye
Rab bhi deewana lage re ho.. Jab se tere naina mere naino se laage re
Tab se deewana hua aah haaa
Tab se deewana hua aah haaa
Sab se begaana hua
Rab bhi deewana lage re oye oye
Rab bhi deewana lage re ho.. Jab se tere naina mere naino se laage re (tak dhin tak dhin tak dhin tak dhin)
Deewana yeh to deewana laage re
Deewana yeh to deewana laage re Ho jab se mila hai tera ishaara
Tab se jagi hain bechainiya
Ho jab se mila hai tera ishaara
Tab se jagi hain bechainiya
Jab se hui sargoshiyaan
Tab se badhi hain madhosiyen Jab se jude yaara
Tere mere mann ke dhaage Tab se deewana hua aah haaa
Tab se deewana hua aah haaa
Sab se begaana hua
Rab bhi deewana laage re oye oye..
Rab bhi deewana laage re Ho jab se hui hai tujhse shararat
Tab se gaya chain o karaar ho..
Ho jab se hui hai tujhse shararat
Tab se gaya chain o karaar
Jab se tera aanchal dhala
Tab se koi jaado chala Jab se tujhe paaya
Yeh jiya dhak dhak bhaage re
Tab se deewana hua aah haa
Sab se begaana hua aah haa
Rab bhi deewana lage re oye oye..
Rab bhi deewana lage re ho.. Jab se tere naina mere naino se laage re
