Jago jago jago
Jab ujjyara chhaye, mann kaa andhera jaye
Kirano kee ranee gaye, jago he mere mann mohan pyare
Jagee re jagee re jag kaliya jagee
Jagee re jagee re jagee re, jagee re jagee re jag jag
Jago mohan pyare jago
Nav yug chume nain tihare, jago jago mohan pyare
Jagee re jagee re jag kaliya jagee
Jagee re jagee re jagee re, jagee re jagee re jag jag
Bhigee bhigee ankhiyo se musakaye, yeh nai bhor tohe ang lagaye
Bahen phaila o dukhiyare, jago mohan pyare.....
Jisane mann kaa deep jalaya, duneeya ko usane hee ujala paya
Mat rahana ankhiyo ke sahare, jago mohan pyare.....
Kiran pree gagaree chhalakaye, jyot kaa pyasa pyas bujhaye
Phul bané man ke angare, jago mohan pyare.....
