Jabase karib ho ke chale, jindagee se ham
Khud apne aaine ko lage ajnabee se ham
Jabase karib ho ke chale, jindagee se ham
Woh kaun hai jo pas bhee hai aur dur bhee
Har lamha mangte hain kisee ko kisisse bhee
Jabase karib ho ke chale, jindagee se ham
Ehsas yeh bhee kam nahee jine ke waste
Har dard jee rahe hain tumhari khushee se ham
Kuchh dur chalke raste sab ek se lage
Mil lega kisee se milaye kisee se ham
Kis mod par haiyat ne pahoncha diya hame
Naraj hai ghamo se naa khush hai khushee se ham
