Life ?? too many questions but we don' t need ??
Exam results are shocking but we still keep on rocking
Life mein rona dhona, kuchh paana kuchh khona
Chlata rehata hai draama, check life ??
Phulon mein khushbu kahaan se aati hai
Hota rainbow kyun satranga
Paani mein leharein uthake jaati kahaan
Dimaag daude kahaan kahaan
Jabse hum huye jawaan jawaan jawaan
Ek baat ka khaab sajaane ko ji karata hai
Nange paanv dhul udaane ko ji karata hai
Iss paagalpan se dil yeh nahi bharata hai
Kadamon mein apne hai dono jahaan
Jabse hum huye jawaan jawaan jawaan
Life is roller coster ride, banaalo god ko apana apana guide
If you think you come ??, say chak de and be all right
Life and times are ??, sab bhaagate after money
Har pal tension aur confusion like a movie cut role action
Life mein aage kya hoga kyun soche
Abhi toh day n night lagana hip and hep hamein
Aaj hai jo khushi sasti kal woh mehangi hogi re
Happy yaar hamako toh mile har jaah
Jabse hum huye jawaan jawaan jawaan
Phulon mein khushbu kahaan se aati hai
Hota rainbow kyun satranga
Jabse hum huye jawaan jawaan jawaan - 4
