All eyes on you sweet gambler
You live ice on the table big player
Your lies full of game sweet sinner
You bet your heart like a winner
One pay two pay three of the kind
Get it streight flush the four than house down
Burn it down baby burn it down
Taste the rush you all in jack
Jackpot jitna jackpot jitna
Jane kya hai hona kya baat hai
Iss raat ke pehlu me ek aur raat hai
Kashmakash hai thodi har dav me
Kyu hai sawar do naav me
One pay two pay three of the kind
Get it streight flush the four than house down
Burn it down baby burn it down
Taste the rush you all in jack
Jackpot jitna jackpot jitna
Naire hai tum par o juari
Nasib me likhi hai jo baji
Yaha pockets full of gold and paper
Jito shan se o sikander
One pay two pay three of the kind
Get it streight flush the four than house down
Burn it down baby burn it down
Taste the rush you all in jack
Jackpot jitna jackpot jitna yeah
Jackpot jitna ye jackpot jitna
