Main taaj ya naamara, haay ve dasu main ki kara
Dil jude bina hi tut gaye, hath mile bina hi chhut gaye
Khel khale kismat ne
Baar baar rod ankhiya tainu jo na vek sakhiya, ??? kudarat ne
Chhan se jo tute koi sapna, jag soona soona laage
Koi rahe na jab apna, jag soona soona laage
Jag soona soona hai toh yeh kyun hota hai
Jab yeh dil rota hai, roye sisak sisak ke hawaayein, jag soona laage
Chhan se jo tute koi sapna, jag soona soona laage
Koi rahe na jab apna, jag soona soona laage re
Soona laage re
Roothi roothi saari raatein, phike phike saare din
Viraani si viraani hai, tanhaayi si tanhaayi hai
Aur ik hum pyaar ke bin har pal
Chhan se jo tute koi sapna, jag soona soona laage
Koi rahe na jab apna, jag soona soona laage re
Patthron ki iss nagari mein, pattha chehre, patthar dil
Phirta hai maara maara kyun raahon mein tu aawaara
Yahaan na hoga kuchh haasil, mere dil
Chhan se jo tute koi sapna, jag soona soona laage
Koi rahe na jab apna, jag soona soona laage
Jag soona soona hai toh yeh kyun hota hai
Jab yeh dil rota hai, roye sisak sisak ke hawaayein, jag soona laage
Chhan se jo tute koi sapna, jag soona soona laage
Koi rahe na jab apna, jag soona soona laage re
Soona laage re mohe
