Woh o woh o woh o woh.....
Jagee jagee hai yeh khalee rat, mujhe nind aaye na
Karvat letee gujre na rat, meree jan jaye na
Jate lamhe jate sapne jate najare har ghadee
Mitatee sanse thamtee aahe bujhtee jaye jindagee
Andhera iss pal ka savera, kora sa dhula sa kal hoga kya
Soya soya sa hai yeh jahan mujhe nind aaye na
Thame hu rat ka ek sira kahee chhut jaye na
Gumsum hawa hai chup sa sama, hai mujhse bole koyee nahee
Ojhal palke yade chhalke bujhtee jaye jindagee
Andhera iss pal ka savera, dhula sa jaga sa kal hoga kya
Kal hoga kya
Usake aangan dekha jake maine ek aaisa jahan
Rat se pehle hota jahan pe naya
Savera, woh kal ka savera, jo kal hoga
Savera, woh kal ka savera, kya kal hoga
Kya kal hoga
Woh o woh o, woh o.....
Mujhe nind aatee nahee.....
Woh o woh o, woh o woh.....
