Arre ganga too kaahe jaaye pardes, kaahe jaaye pardes  
Chhodake apana des, apana des  
Chhodake apana des  
Ganga chalee kaha kasam tod ke, hame chhod ke  
Piya mere piya  
Jaha piya waha mai, mere piya waha mai  
Des chhudaaya pardes bulaaya  
Sandes yeh aaya mere naam  
Jaha piya waha mai, mere piya waha mai  
Mai kya karu meree raam  
Jaha piya waha mai, mere piya waha mai  
Aisa lagata hai kee, dil ke andar kuchh tut raha hai  
Baabul ke aangan me meraa bachpan chhut raha hai  
Mai khush bhee hu udaas bhee, nadiya me jaise pyaas bhee  
Mai kya karu meree raam  
Jaha piya waha mai, mere piya waha mai  
Chaandee kee katoree sone kaa pitaara  
Lade maiya meree mujhako saasu ne pukaara  
Laalee kaajal powder bindiya  
Lade meree maiya mujhako sainya ne pukaara  
Andekha anjaana sa ek sapana dekh rahee hu  
Apne mann ke darpan mukh apana dekh rahee hu  
Yeh mai hu ya koyee aur hai  
Sanjog pe kiska jor hai, mai kya karu meree raam  
Ganga chalee kaha kasam tod ke  
Hame chhod ke -2  
Waha mai, waha mai  
Jaha piya waha mai, waha mai waha mai  
Oo.....  
Ha ha.....
